MUNICODE PREMIUM SERVICE OPTIONS FOR ONLINE CODE HOSTING

Code Bank

Online, searchable history of previous code; includes supplement history table, a viewable, printable chart of your ordinance/supplement history. Begins once we start hosting your code.

Code Bank Compare with ENotify

Compare any two versions of your online code (beginning with first Municode Supplement) *and* provide relevant opt-in email notification each time code is updated. Begins once we start hosting your code.

Custom Banner

Extends your brand by customizing MunicodeNEXT to match the look and feel of your website.

Ord Bank

Online, searchable repository for ordinances adopted but not codified; specifically, ordinances adopted between supplements. Begins once we start hosting your code. **Archival Ord Bank** adds historical legislation already codified and makes use of small remainder budgets.

OrdLink

Digital flag for ordinances that have been modified since your last supplement. The flag appears in-line *above* the ordinance, alerting users to changes in a particular ordinance. Can be bundled with OrdBank or MyMunicode with a discount.

MuniDocs

- Self-uploading, public-facing archival tool
- Supporting documentation: budgets, minutes, agendas, resolutions
- Searchable (may require some labeling for graphics)
- Secure: geo-redundant DoD-level security
- 25 GB

My Municode

CivicPlus (parent company to Muni-Code)

1. They can supplement as often as we send them new Ordinances.
2. Code will be available online 24/7
3. They can add supplements added quarterly at the same price.
4. There are four parts of their services that we can choose from, but to have all of them, we can take advantage of a Value Plan at approximately \$105 a month:
 - a) Code Bank
 - b) Code Bank Compare and E-Notify
 - c) Muni-Pro
 - d) Ordinance Bank (for uncodified)
