

4.1-206. Alcoholic beverage licenses.

17. Designated outdoor refreshment area license, which may be issued only to a locality, business improvement district, or nonprofit organization and which shall authorize (i) the licensee to permit the consumption of alcoholic beverages within the area designated by the Board for the designated outdoor refreshment area and (ii) any permanent retail on-premises licensee that is located within the area designated by the Board for the designated outdoor refreshment area to sell alcoholic beverages within the permanent retail location for consumption in the area designated for the designated outdoor refreshment area, including sidewalks and the premises of businesses not licensed to sell alcoholic beverages at retail, upon approval of such businesses. In determining the designated area for the designated outdoor refreshment area, the Board shall consult with the locality. Designated outdoor refreshment area licensees shall be limited to 16 events per year, and the duration of any event shall not exceed three consecutive days. However, the Board may increase the frequency and duration of events after adoption of an ordinance by a locality requesting such increase in frequency and duration. Such ordinance shall include the size and scope of the area within which such events will be held, a public safety plan, and any other considerations deemed necessary by the Board. Such limitations on the number of events that may be held shall not apply during the effective dates of any rule, regulation, or order that is issued by the Governor or State Health Commissioner to meet a public health emergency and that effectively reduces allowable restaurant seating capacity; however, designated outdoor refreshment area licensees shall be subject to all other applicable provisions of this title and Board regulations and shall provide notice to the Board regarding the days and times during which the privileges of the license will be exercised. Only alcoholic beverages purchased from permanent retail on-premises licensees located within the designated area may be consumed at the event, and such alcoholic beverages shall be contained in paper, plastic, or similar disposable containers that clearly display the name or logo of the retail on-premises licensee from which the alcoholic beverage was purchased. Alcoholic beverages shall not be sold or charged for in any way by the designated outdoor refreshment area licensee. The designated outdoor refreshment area licensee shall post appropriate signage clearly demarcating for the public the boundaries of the event; however, no physical barriers shall be required for this purpose. The designated outdoor refreshment area licensee shall provide adequate security for the event to ensure compliance with the applicable provisions of this title and Board regulations.
